Innovation by Your Inspiration

PT Chitose Internasional Tbk stands for innovations that are inspired by the users. We are driven by research and development, focusing on the growing need of furniture of Indonesia, yet also catering to demands from various parts of the world. Working in a simple and clean way, borderless, fair and decent, we strive to create a better life for all.

PT Chitose Internasional Tbk dengan bangga menghadirkan produk berkualitas hasil inovasi yang terinspirasi dari para penggunanya. Kami berkembang melalui riset yang tiada henti untuk memenuhi kebutuhan furnitur yang terus meningkat, baik dalam maupun di luar negeri. Dengan filosofi kerja "jujur, bersih, dan tanpa batas" kami berupaya menciptakan kesejahteraan bagi semua.

Industrial Standards of Indonesia and Japanese Industrial Standard. This achievement cannot be separated by the three factors that make Chitose stand out from the rest: stability in quality, comfort, safe and healthy for the user, as well as being aesthetically pleasing. From time to time, the quality of Chitose product has been strictly maintained. It is made possible by the production process; which referred to the integrated system of automation. The implementation of the system results in uniform and consistent shapes and quality for all Chitose products.
